

PRODUCT RELEASE INFORMATION

Go to www.feedandgrain.com/company to view the product information we have on record.

1. Select your company from the alphabetical list
2. Scroll down to view your products
3. Fill in the form with your product selections and categories

Please review these products and select three you would like included in **Feed & Grain's 2019 SHOWCASE** issue and identify which product category you would like each product to appear in. Product inclusion within Showcase is **FREE**, but space is limited, so **please list the products in order of priority**.

CATEGORIES:

- Aeration, Drying & Storage
- Conveying & Material Handling
- Dust Control & Explosion Prevention
- Engineering, Design & Construction
- Feed Manufacturing
- Grain Cleaning, Testing & Analysis
- Maintenance
- Operations Management, Consulting & Financial Services
- Safety & Rescue Equipment
- Transportation
- Weighing & Bagging Equipment
