Macro Veg Portfolio

Special Crops & Ancient Grains

We offer a range of ingredients derived from carrot, chickpea, faba bean, and other crops that have been cultivated for centuries around the world. These ingredients can add nutritional value, flavor, and functionality to your pet food products.

- Chickpeas
- Faba Beans
- Flax
- Lentils
- Peas

Grains

Our grains are widely used in pet food applications for their gelling and thickening properties.

- Barley (Whole & Pearled)
- Oat Groats

Conventional, Non-GMO & Organic Available
